THE UNIVERSAL CAR

The Ford Model T one-ton truck is proving a splendid time and money-saver on the farm. It is very flexible in control, strong and dependable in service. It has

really become one of the farmer's necessities. One Ford truck is equal to half a dozen teams, and it won't "eat its head off" when not working. The very low price makes it popular with shrewd farmers who analyze conditions on the farm. Let's talk it over. Mr. Farmer. Price, without body, \$550 f. o. b. Detroit.
